

# STJ's Custom Orthotic Sandal Program Has It All.

## The Widest Selection

This year, STJ has expanded its line of sandals so that you can offer over 30 great models to choose from - the widest selection in the industry.

## An Excellent Profit Center

With our in-office Custom Orthotic Sandal Program, you can easily add a profitable revenue stream, that will expand your practice by prescribing orthotics with stylish sandals - no inventory to keep.

## The Most Orthotic Options

We also have a comprehensive selection of Orthotic types that range from Accommodative to Functional.

So, give us a call to get more information, full color reference guides depicting all of our available styles, in-office displays and to order samples, so that you are equipped to provide new ways to expand your practice.
